

Lower Mainland Srixon Tour

Inclement Weather Policy

The purpose of this policy is to provide an equitable alternative to cancelling a round experiencing inclement weather.

Inclement Weather includes, but is not limited to:

- Heavy Rain, puddles preventing putting on the greens
- Thunder and Lightening
- Darkness
- Strong Winds, dangerous conditions

In the event of inclement weather after the start of the event, but before all groups finish, the Tour reserves the right to abbreviate the stipulated round (also the skins game) to the maximum number of holes deemed to be playable by all competitors, but a minimum of 9 holes. If such conditions limit the number of holes deemed playable to less than 9 holes, the entire round will be cancelled.

All decisions not covered in the Inclement Weather Policy shall be made by the committee, in consideration of equity to the field.
